HIGHER EDUCATION SOLUTIONS FROM BROTHER

Accessible and Dependable Printing, Scanning, and Labeling for Education

Smart Print Management Designed for Education

No matter where your college or university is on the road to digital transformation, paper documents continue to be part of the equation. The challenge is in integrating paper and digital content, while also streamlining daily operations. Brother offers document management technology and solutions for your school that can make a measurable difference in student access, cost, and efficiency.

PROTECT STUDENT INFORMATION

Brother printers, all-in-ones, and scanners offer triple layer security features that can help ensure the security of sensitive documents, devices, and networks. Icons can be removed from the User Interface of select devices to eliminate access to a feature, while predefined icons help to reduce the risk of documents accidentally being sent to the wrong destination.

CREATE THE ALWAYS-ON, CONNECTED CAMPUS

Brother offers a number of products and solutions with cutting-edge mobile device and web-based features that make it easy for students, professors, and administrators to connect, print, and share important information virtually anytime, anywhere – quickly, easily, and securely. Enable seamless data capture to help save paper and enable online sharing of paper-based materials via computers, mobile devices, or the cloud.

Printing, Scanning, and Labeling Solutions For Your College / University

Brother Can Help Your College / University

Educate Students

Small scale devices with built-in features bring additional productivity and efficiency to help keep administrators' and staffs' day to day free from disruption – and focused on teaching.

Reduce IT Burden

With technology and equipment that have set and forget features, Brother delivers award-winning reliability to help save time and money. The User Interface can be customized and then deployed remotely for added time savings.

Facilitate Digital Transformation

Incorporate a strategic mix of technologies to help optimize a digital teaching environment. Enhance connections between staff and students to enable collaboration and smart use of resources and data.

Control Costs

Brother can help right size your print and capture environment to meet your school's workflow, budget, and facilities requirements. Get a low-cost investment and performance you can monitor and trust.

Mobile Printing and Labeling Solutions for Schools

From the main office to the library, Brother has products for all of your labeling needs. Brother QL label printers produce cost-effective, professional labels for visitor management, general mailing, and more. Brother P-touch label makers are ideal for areas where quick identification of binders, folders, bookshelves, and storage bins save valuable time.
