

THE PERFECT CLASSROOM PAIR

The Rugged Combo 3 + H111 Headset bundle helps students succeed in class, at home, and wherever they go.

Expand student iPad® experiences and protect school iPad investments with the perfect classroom pair from Logitech for Education.

The Rugged Combo 3 keyboard case gives students the power to type, create and navigate while protecting their iPad devices at every step. Attaching the Rugged Combo 3 eliminates the need to purchase other devices for testing, and increases residual value over a 3-year period—resulting in an overall savings of \$50+ when you choose an iPad + Rugged Combo 3.

The H111 for Education Headset enables immersive learning experiences to propel student engagement and achievement, and supports new teaching modalities such as project- and inquiry-based learning.

Don't miss out on equipping your students with the perfect classroom pair at a price that can't be beat. Contact your IT provider or reach out to EducationUS@logitech.com for more information or to request a customer sample.
