F310

"As a strategic partner, Logitech brings value to our Chromebook users with a full range of Works With Chromebook certified solutions. Beyond the seamless integration that is expected with our Works With Chromebook certified vendor solutions, Logitech offers users peripherals that will increase user productivity and efficiency at the desktop, while maximizing coveted USB space with their unifying technology. We are proud to be working with Logitech where together we provide Chromebook users the best possible experience."

Mike Budelli Global Business Development, Platforms & Ecosystems (Chrome OS) at Google

WEBCAMS

High-quality webcams make users feel more engaged during virtual meetings or lessons. Using a webcam that provides a high-quality image at an ergonomic angle provides a better, more comfortable virtual experience for participants.

HEADSETS

Audio experiences should be as good as if everyone was sitting in a room together. Virtual participants need to be heard by other attendees and want to clearly hear what others are saying. Using a headset creates better call experiences and can block out noise distractions from others around you.

HEADSET	MSRP	LOGI P/N
H111 Headset (foam ear cushions)	\$14.99	981-000612
